

## Monitoring Information – How to get involved?

---

### Contact your wildlife management board

#### Wildlife Management Advisory Council (NWT)

- [jointsecretariat.ca/co-management-system/wildlife-management-advisory-council-northwest-territories](http://jointsecretariat.ca/co-management-system/wildlife-management-advisory-council-northwest-territories)

#### Gwich'in Renewable Resources Board

- [www.grrb.ca](http://www.grrb.ca)

#### Sahtú Renewable Resources Board

- [www.srrb.nt.ca](http://www.srrb.nt.ca)

#### Wek'èezhì Renewable Resources Board

- [www.wrrb.ca](http://www.wrrb.ca)

#### Fisheries Joint Management Committee

- [www.fjmc.ca](http://www.fjmc.ca)

### Participate in a monitoring program

To record locations and details on any species

- [iNaturalist.ca](http://iNaturalist.ca)
- [wildlifeobs@gov.nt.ca](mailto:wildlifeobs@gov.nt.ca)

To contact and join us on Facebook

- NWT SPECIES Group

To report a spill of oil, chemicals or other hazardous materials

- NWT 24hour Spill Report Line
- (867) 920-8130 (Collect calls accepted)

To report a poacher

- (866) POA CHER

To record your bird observations

- [ebird.org](http://ebird.org)

To report a banded bird

- [BBO\\_CWS@ec.gc.ca](mailto:BBO_CWS@ec.gc.ca)

To report a fishing violation

- (800) 222 TIPS (8477)

To report a forest fire

- (877) NWT FIRE

## Monitoring Information – How to get involved?

### Any vertebrates

- [Wildlifeobs@gov.nt.ca](mailto:Wildlifeobs@gov.nt.ca)

### Any invertebrates

Send pictures, information or specimens in alcohol to ENR. Contact [NWTbugs@gov.nt.ca](mailto:NWTbugs@gov.nt.ca) for more tips and a mailing address.

### NWT species keys available for some insects and spiders.

To help with the identification of insects and spiders using good quality photographs:

- <https://www.enr.gov.nt.ca/en/services/insects-and-spiders>
- [bugguide.net](http://bugguide.net)

### Collecting and preserving insect guides:

- <http://www.cassavabiz.org/production/proddocs/INSE-SCR.PDF>
- [http://esc-sec.ca/aafcmonographs/insects\\_and\\_arachnids\\_part\\_1\\_eng.pdf](http://esc-sec.ca/aafcmonographs/insects_and_arachnids_part_1_eng.pdf) [http://www.ars.usda.gov/SP2UserFiles/ad\\_hoc/12754100CollectingandPreservingInsectsandMites/collpres.pdf](http://www.ars.usda.gov/SP2UserFiles/ad_hoc/12754100CollectingandPreservingInsectsandMites/collpres.pdf)
- <http://www.uaf.edu/files/ces/publications-db/catalog/anr/PMC-10075.pdf>

### Vascular Plants

To identify vascular plants in the NWT, consult Porsild and Cody. 1980.

- [www.biodiversitylibrary.org/item/139562#page/9/mode/1up](http://www.biodiversitylibrary.org/item/139562#page/9/mode/1up)

Consult Aiken et al. 2011 Flora of the Canadian Arctic Archipelago Online

- [nature.ca/aafloora/data/aaintr/caaintr2.htm](http://nature.ca/aafloora/data/aaintr/caaintr2.htm)

### Mosses, liverworts, lichens, mushrooms

Western Canada Bryophyte and lichen Interest Group

- [www.wcblig.com/herbaria.html](http://www.wcblig.com/herbaria.html)

Lichens of western North America
