## NORTHWEST TERRITORIES

# Species Conservation and Recovery Fund (Report Form)

Supporting efforts to conserve, recover, and protect species at risk in the Northwest Territories.

Recipients of the NWT Species Conservation and Recovery Fund are required to submit a Financial and Project Summary Report, by **April 30**.

Use this template to guide completion of these reports. If possible, complete this form electronically.

Information within the Project Summary Report may be made public, including any photographs, videos, posters, and other materials submitted. The information will be shared on the NWT Species at Risk website to encourage future participation in this fund.

Project Summary Reports must be accompanied by copies of any materials produced by the project, including but not limited to:

- Photographs\*
- Presentations
- Field Notes
- Maps
- Publications
- Videos

\*Photographs of individuals must be accompanied by a photo release form.
